Notice For Campus and Traffic Safety

2021 年 1月 25日

Notice for Traffic Safety

Dear CMU students,

There have been many car accidents around the campus these days. For your own safety, please drive carefully, keep distance between vehicles, slow down, look, and stop during intersections.

1. From October to January, 19 accidents and 2 major accidents occurred near the campus.
2. At **Shuinan Campus**, there is heavy traffic during school hours. Please pay attention to these roads: Dapeng Road, Xinping Road, Shunping Road, Zhongping Road. Please **slow down, look, and stop** at the intersections.
3. At Yingcai Campus, please pay attention to these roads: Section 4 of Liuchuan West & East Road, Dongxing market, Yingcai Road, Wuchang Street, Dade Street, Xueshi Road, Yude Road. Please also yield to pedestrians and children.
4. At Beigang Campus, please pay attention to the traffic coming from 164 county highway, and mind that there might be drag racing at night near Xinde gas station.

Notice for Campus Safety in Winter Vacation

1. For off-campus activities during winter vacation, please report to the Campus Security Center, and implement traffic safety precautions in advance.
2. During the period of pandemic prevention, please cooperate with the traffic preventive measures, be sure to wear a mask, take public transportation if possible, and reduce the use of motorcycle.
3. If you need to ride a motorcycle, be sure to keep distance between vehicles, slow down, look, and stop during intersections.
4. If a traffic accident happens, please report to 110(for accident) and 119(for injury), and call the campus security for assistance.
5. Please be careful at night, take the roads with street lights and crowds, to avoid stalkers. Please note that on the Section 4 of Liuchuan West & East Road in Yingcai Campus, it is reported that a suspicious person has been tracking students at night around 11pm. The police are already patrolling and investigating.
6. Please pay attention to indoor ventilation, the use of water, electricity, and gas safety at home. For the campus safety, please report to the campus security when you encounter any danger or suspicious person.
